Swiss Championship Fiesch 2020 – Important Information

Note:

All times are subject to change depending on actual weather conditions.
Participants and staff will be informed of actual times through WhatsApp.
The Map is subject of mistakes. Valid is the wpt-file.

Daily schedule Tuesday, August 4th – Sunday, August 9th

08:30	Weather report and info about the day (WhatsApp)
9:30 – 10:30	Lunchbag at bottom station Ride up to Kühboden (Cable Car Fiesch-Fiescheralp)
11:00	Free Coffee, Tee, Gipfeli at Restaurant Alpen Lodge
12:00	Task Briefing (Galvera launch) Start of Task
	Grill'n chill at landingzone
After Landing	Report back - SMS within 15 minutes after landing Check in at headquarter
After last Pilot landed	Provisional rankings at WhatsApp

Special Events

Thursday or Friday (weather depending):
Pilots evening 19:00 at Restaurant Alpen Lodge (Fiescheralp)

Sunday:
18:00 Price giving ceremony (10:00 in case of non-flying day)

Check In

Send an SMS with „para start so“ (without quotes) to the CCSS number
in order to register with the CCSS (Cross Country Safety System).

Report Back

Send an SMS with „para stop“ (without quotes) to the CCSS number.
Report back has to be done within 15 minutes after landing!

You will get an automatic confirmation message after we received your mes-
sage. You have to send the SMS also if you decided not to fly.
You can add additional information after „para stop“ to the message. For exam-
ple you could send „para stop Landed in Fiesch“.

Retrieve

If you do not land at Fiesch you can take the MGB train (red trains) for free. This
is only valid if a task is flown and only for MGB! You have to show your Competi-
tion-ID-Card.

If you land further than Visp, you have to take the trains from SBB. It is important
to buy the SBB-ticket (to Brig) by your own! At Brig you will change the train to
MGB, witch is covered with your Competition-ID-Card. You can get a refund for
the ticket you have bought at the headquarter.

Airports

Sion: There will be no tasks set with turnpoints north of Sion airport on days
when the TMA is active. On all other days: Stay clear of the CTR and TMA1 (see
turnpoint map).

Münster/Raron: Airfield must be crossed with a minimum altitude of 1950/1150
m MSL. Landing inside the red airfield zone is forbidden.

Maximum altitude

3950m everywhere, everytime.
