What does that mean: "Counts for SLC if announced on www.swiss-league.ch" ?

Case 1)

The SC takes place and the Swiss League participates. This will be announced on www.swiss-league.ch

Case 2)

The Organizer announces the Swiss Cup, but the weather is not really good.

In this case we will announce on www.swiss-league.ch, that the swiss cup takes place, but does not count for the SLC Ranking.

Case 3)

The Organiser cancels the Swiss Cup, but the weather seems to be good in a different part of Switzerland.

In this case we can announce a Swiss League Cup in a different part of Switzerland.
